PROFILE

Creative front-end web developer with a focus on interactive, user-centered design. Skilled in HTML, CSS, JavaScript, and responsive UI development. Experienced in building accessible, visually engaging websites and web apps that balance performance with aesthetics.

WORK EXPERIENCE

UX/UI TEAM

Life Science Experience

Spring 2025

A virtual interactive tour experience for WSU Vancouver's Life Sciences Building, commissioned by the university for the purpose of recruitment and promotions.

- Developed a responsive horizontal-scrolling timeline using HTML, CSS, and JavaScript, integrating interactive elements to enhance user engagement.
- Implemented dynamic Glide.js sliders and modal popups to showcase multimedia content within timeline sections, optimizing for performance and accessibility.
- Designed and structured an interactive information architecture that supports smooth navigation, visual storytelling, and mobile responsiveness.

LAYOUT MANAGER

Vancouver

August 2024-2025

- Managed a dynamic newsmagazine WordPress site
- Maintained and enhanced website functionality
